in last year's protocol from the annual general meeting on 15 June 2020, available at the company's website www.brighter.se, and and issuance of warrants "**Warrants LTI 2020**".

The board has not implemented the annual meeting's decision on LTI 2020. The incentive program has not been carried out. The board is of the opinion that the program is no longer relevant for a company after a year with big changes, not least professionally. The board therefore proposes that the program and warrants shall be cancelled. The board is currently evaluating the possibility and way of a new incentive program and may give a new proposal to the shareholders during the year.

Proposal

In the light of what has been mentioned above, the board proposes to not carry out the incentive program that was decided upon on earlier meetings, instead the program shall be cancelled, and that the company does not carry out the Warrants LTI 2020 that has been allotted under Cost-hedging Measures for LTI 2020.

The board has not implemented the Director's Program and so no issuance has been carried out. The board is of the opinion that the program is no longer relevant for a company after a year with big changes, not least professionally. The board therefore proposes that the program and the warrants shall be cancelled.

Proposal

In the light of what has been mentioned above, the board proposes to not carry out the Director's Program that was decided upon on earlier meetings, instead the program shall be cancelled, and that the company does not carry out the Warrants for Directors that has already been allotted under Cost-hedging Measures for the Director's Program.
